Welcome To CE-401

Our class sessions will occur in 259 in Anderson Tower, (Section 001) and Robotics & Manufacturing Building Rm.309 (Section 002) and these rooms have tables that allow each discussion group to sit together in at group tables. When you arrive for class on Friday morning, please sit at the table that is designated for your assigned group, A through F, for Week 01.

Class sessions will start promptly at 8 or 11 AM, and attendance and promptness are points of emphasis all semester, including Week 01. Please treat your commitment to these meetings as you would any important business obligation.

In Week 01, each group will address three of six discussion questions in accordance with [DISCUSSION GROUP PROCEDURES.pdf](#) The group and group leader assignments for the Week 01 questions are shown at the CE-401 webpage¹ and supplied here for your convenience. As noted previously, this matrix of discussion question assignments for Week 01 may change as enrollments become final for the semester.
